Holding Your Hand from Start to Finish

Donating to ASSIST with a matching program at your workplace substantially increases your impact!

ASSIST was founded on the premise of economic and social justice. Beyond the monetary benefits of the work we do is the humanitarian obligation to serve people with severe disabilities who are incapable of navigating the complex SSI/SSD benefits application process on their own.

Our mission is to expedite these benefits and keep our client's cases out of the multi-year appeals backlog. The effect of helping people obtain their badly needed benefits is that people have money for rent and basic needs.

ASSIST (Assertive SSI Service Team) is a 501(c)(3) social service agency. Please consider helping us help our most vulnerable citizens with your tax-deductible contribution.

We are grateful for every donation, large or small and we assure you it will be used to better the lives of the severely disabled people we serve.

Your donations can be mailed to:

The ASSIST Program
4412 S. Barbur Blvd.
Ste. 200
Portland, OR 97239

Thank you!

ASSIST is a 501(c)3 non-profit.
